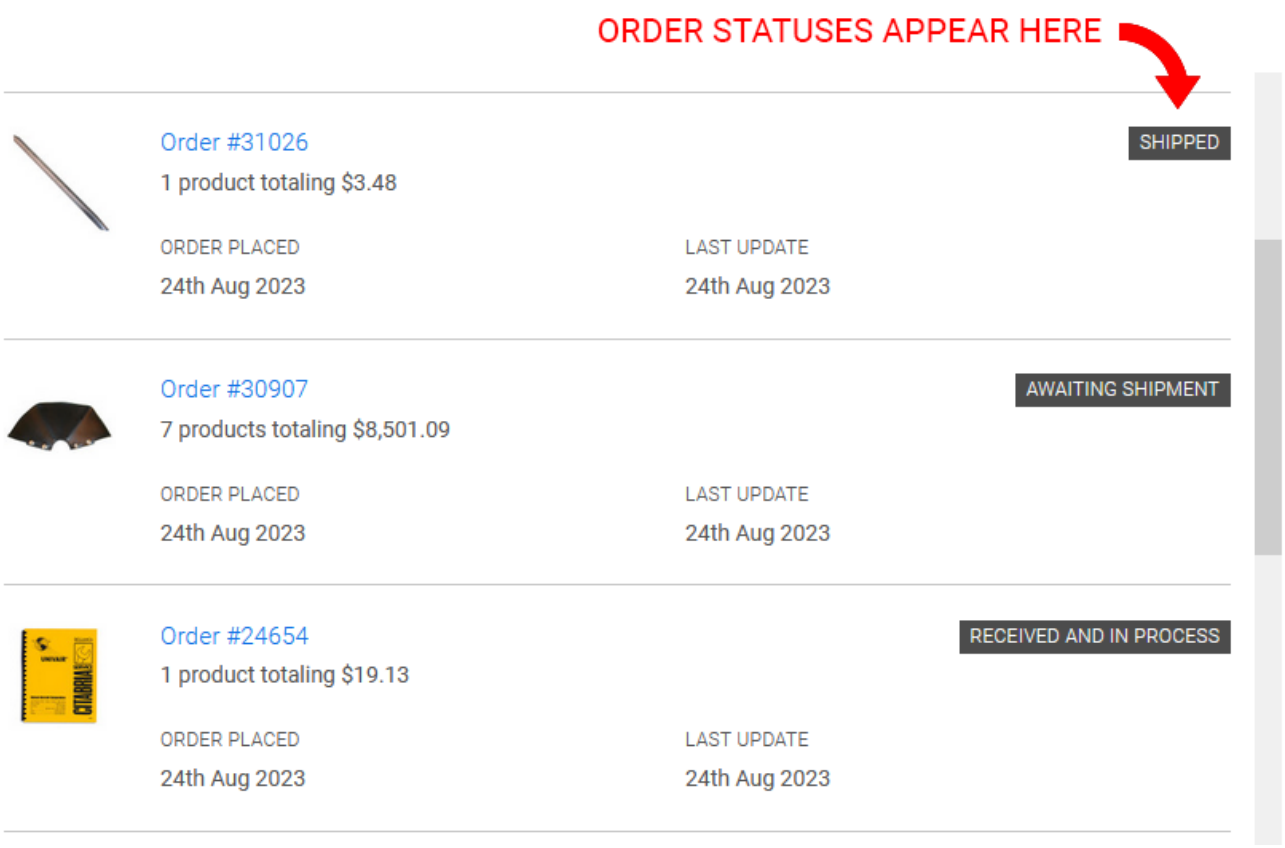
How To Check Order Status

Last Modified on 07/18/2025 11:40 am MDT

For Orders Placed Through the Univair Website

Note that only orders placed through our website will show in your web account. Orders placed by phone, fax, email or mail will not appear here - you will need to contact the Univair sales department for a status update.

1. Log into your account on the website. On the ORDERS page you will find your order history. The status of each order appears in the far right column.



For Orders Placed by Mail, Phone, Fax or Email

Please contact our Sales Department by calling 303-375-8882 during regular business hours.
